Are you an Autistic Adult with a Cleft Lip and Palate?

My name is Jane Grogan, and I am currently pursuing a Professional Doctorate in Psychotherapy at the University of Lancashire.

I am conducting an online interview aimed at understanding the experiences of Autistic adults who were born with a Cleft Lip and Palate. My goal is to gain insight into what life is like for you and how you make sense of these experiences.

Your voice matters

Join me for a study on:

Title: "The Lived Experiences of Autistic Adults with Cleft Lip and Palate"

If you are interested in participating, please contact me at JGrogan2@lancashire.ac.uk.

I will send you an invitation to participate, along with all the necessary information to help you make an informed decision about taking part.
